To protect the perimeter, the horses will be met and transferred to a secure barn area in the care of personnel who are already on either. who are already on-site

Attention Horsemen: In an effort to comply with CDC guidelines, we will not be allowing anyone aside from trainers running horses and their attending staff to come to the races until further notice. Also, only licensed personnel will be allowed on the backside.

Attention Horsemen: Digital Tattoos are here. Any horse that did not start prior to Dec.31st , 2019, must get a digital tattoo IF they do not have an ink one on their upper lip. Horses starting this year will have a series of photographs taken, that will be linked to the horses' racing profile and will be available to any identifier across the country. Horses off more than 120 days, but less than 1 year, require a five furlong work and must have an official SA vet exam within the last 30 days. Horses which have not raced for a year must work for the vet (1:03 or better) and have blood drawn.

As of January 1st, unraced four-year-olds will be placed on the vets list and will require a five furlong work in 1:03 or better, and have blood drawn within 30 days of entry.

Entries with blood pending samples are no longer allowed.

ATTENTION HORSEMEN: As per number 4 in condition book under rules of eligibility, wins in the first and second conditioned allowance races on the turf will not be considered when determining eligibility in an equal conditioned race on the dirt. Horses who have won a first conditioned race on the turf will remain eligible for the first conditioned race on the dirt. Horses who have won a second conditioned race on the turf will remain eligible for the second conditioned race on the dirt.
