Morning Schooling schedule during the race meet is now daily 9:30 am-10:30 am

Attention Horsemen: In an effort to comply with CDC guidelines, we will not be allowing anyone aside from the trainer and groom to accompany runners to the receiving barn. Also, only licensed personnel will be allowed on the backside.

Attention Horsemen: Digital Tattoos are here. Any horse that did not start prior to Dec.31st, 2019, must get a digital tattoo IF they do not have an ink one on their upper lip. Horses starting this year will have a series of photographs taken, that will be linked to the horses' racing profile and will be available to any identifier across the country. You can contact horse ID at 626-574-6414 to get these done.

Horses off more than 120 days, but less than 1 year, require a five furlong work and must have an official SA vet exam within the last 30 days. Horses which have not raced for a year must work for the vet (1:03 or better) and have blood drawn.

As of January 1st, unraced four-year-olds will be placed on the vets list and will require a five furlong work in 1:03 or better, and have blood drawn within 30 days of entry.

Entries with blood pending samples are no longer allowed.

ATTENTION HORSEMEN: As per number 4 in condition book under rules of eligibility, wins in the first and second conditioned allowance races on the turf will not be considered when determining eligibility in an equal conditioned race on the dirt. Horses who have won a first conditioned race on the turf will remain eligible for the first conditioned race on the dirt. Horses who have won a second conditioned race on the turf will remain eligible for the second conditioned race on the dirt.

ATTENTION HORSEMEN: Scratch time is 10:00 a.m. two days before race day. All equipment/jockey changes must appear in the official program which goes final at that time. Also Eligibles will remain on the program until 10:00 a.m on the day of the race. Please check the condition book for special scratch times during the holidays.

All horses must meet workout requirements at time of entry. Also please check the work tab for horses that are currently on a list prior to entry.

Please have your horses on the grounds at least 5 hours before post time for Lasix administration.

It is the trainers responsibility to check the overnight for accuracy on each entry. The program goes official 48 hours prior to race day.

Requests for workout corrections can only be made within 24 hours. Check the work tab and call the clockers and stewards if changes are necessary.

Reminder: 10 lb apprentice riders are not allowed to ride, 2-year-olds, any first time starter, or any turf races.

Del Mar Stall apps are due Monday, May 25. Stall apps are available in the stable office.

Santa Anita now provides 24 x 7 access to your statements.
