ATTENTION HORSEMEN: During morning training, when the warning system has been activated, all riders must immediately slow their horse to a jog, giving the outrider and any loose or injured horse the maximum amount of track space possible, to maintain safety. The warning system shall stay activated until the situation has been contained and the track has been cleared by the outrider and deemed safe to resume normal training. Only when the warning system has been deactivated may a rider resume training. Only when the warning system has been deactivated may a rider resume normal training.

ATTENTION TRAINERS: Main Track Hours 5:00 am-10:00 am. There will be renovation breaks at 6:00, 7:15 and 8:30 am.
Training Track Hours: 4:45 am-10:00 am. There will be renovation breaks at 6:45 and

8:00 am.

Horses off more than 120 days, but less than 1 year, require a five furlong work and must have an official SA vet exam within the last 14 days. Horses which have not raced for a year, must work for the vet (1:03 or better) and have blood drawn.

Unraced four-year-olds will be placed on the vets list and will require a five furlong work in 1:03 or better and have blood drawn within 30 days of entry. Entries with blood pending samples are no longer allowed.

ATTENTION HORSEMEN: Scratch time is 10:00 am two days before race day (except for holidays). All equipment/jockey changes must appear in the official program, which goes final at that time. Also eligibles will remain on the program until 10 am on the day of the race.

All horses must meet workout requirements at time of entry. Also please check work tab for horses that appear on a list before entering.

It is the trainers responsibility to check the overnight for accuracy on each entry. The program goes official 48 hours prior to race day.

Requests for workout corrections can only be made within 24 hours. Check the work tab and call the clockers and stewards if changes are necessary.
